FMD B-Series Wheeled Tractors

TECHNICAL SPECIFICATION

MODEL **FMD-554**

Type	
Drive Type	2WD/4WD
Engine	
Engine model	YD4JZ55CZ
Engine Type	Turbo Charged
Emmissions type	Tier 3 Electronic controlled
Fuel type	Diesel
No of cylinders	4 Cylinder
Powers figures	41 KW/55 HP @2300 RPM
Control system	ECU
Transmission	
Clutch Type	Dual stage 11 Inch Dry
Gearbox	12F/12R Shuttle
Gear lever postion	Side
Speed in high	30KPH
Hydraulics	
Hydraulic drice type	Gear drive
Hydraulic LPM	40 LPM (320 pump)
Working device	
Three-point linkage	Cat 2 Type
PTO speed	540/100 RPM
Hydraulic down force	Yes
Parameter	
Whole machine dimensions (mm)	L. 3200mm with loader 4600mm H. 2800mm W. 1740 mm
Ground clearance	355mm
Working weight W/O Loader(Kg)	2450Kgs
Tyre/rim size	8.3-24 / 14.9-30
Tyre type	R1 Style Ag tyre
Alr Cab	Optional
Braking and steering	
Brake System	Wet disk type
Steering type	Hydrostatic power steering
Hand brake	Seperate hand brake lever

Specs may change without notice.
